Copy of application dated 1-9-1913, from Mr. H. Ramaiya
to the President City Municipal Council, Bangalore,

Sir,

You are probably aware that during his recent visit to Bangalore, His Holiness the Guru of the Sivaganga Mutt announced in a public assembly that it was his intention to maintain about ten or more poor students studying both Sanskrit and English in the Chamarajendra Sanskrit College, until they complete their course for the Matriculation or the School final Examination. With this object in view, His Holiness has remitted Rupees 5000/- for the purpose of building a Students' Hostel in some convenient place near the Sanskrit College for the lodging of the students, and has directed me as one of the Members of the Committee appointed for the management of the Charities to approach you with a request that you may be so kind as to allot a suitable site for the purpose.

2. I beg therefore that you may be pleased to grant a site measuring 200X250 feet either to the north of the City Institute by the side of the 5th main road, Chamarajpet, or to the east of Mr T. Lakshminarasimha Rao's house on the Albert Victor Road, Fort, subject to the Mutt raising a decent building thereon in accordance with the plan approved by you. The present cost of the building is estimated at Rs 10000/- and His Holiness proposes to spend more on this account
